SWEDISH ORDER OF VASA ORGANIZED IN CALUMET

Officers of New Branch Elected at a Meeting Held Yesterday in Calumet—New Seven Lodges of Order in Peninsula.

Nordenakjold lodge, Swedish Order of Vasa, was formerly organized in Calumet yesterday afternoon, with a charter membership of 22. This organization is the first of its kind in the copper country although there are a number of branches in other towns in the upper peninsula.

The officers are as follows:
President, Frank Olson.
Vice president, Frank Botvidson.
Past president, Charles Stone.
Recording secretary, Axel Pahlen.
Vice secretary, Alfred Forsberg.
Financial secretary, John E. Lindquist.

Treasurer, John E. Michaelson.
Chaplain, Ernest Forsberg.
Master of ceremonies, John Naitram.
Inner guard, Charles L. Johnson.
Outer guard, Erick Johnson.
Trustees, Victor Ahlstrom, John Beck and John Stenberg.

The meeting of those interested was held yesterday afternoon at the Temple of Honor hall, and was addressed by Organizer Ernest L. Giesler of Cambridge, Mass., who explained various features of the organization. Those who expressed a desire to become members were accepted by the organizer according to the ritual, and the officers elected, after which they were installed. This makes the seventh branch of the order now existing in the upper peninsula and when it is considered that two months ago there were no branches in this section, the progress which has been made is very gratifying.

DR. W. S. HALL, A NOTED LECTURER TO SPEAK HERE

Professor of Physiology in Northwestern Medical School, will be in Calumet on Sunday, January 9, and deliver a lecture, entitled, "The Young Man's Problem," in the afternoon in the Calumet theater at a men's mass meeting.

The lecture is to be given jointly under the auspices of the Calumet Y. M. C. A. and the Social Purity Association of Houghton county. Dr. Hall is an authority of world-wide reputation in sexual hygienic and medical matters.

Calumet is considered fortunate in securing this talented lecturer. It is the only open date he could offer to this section of the country and the Y. M. C. A. and Social Purity association decided to take advantage of it.

It is also probable that while here, Dr. Hall will talk to the Calumet High school students on, "From Youth Into Manhood." This is one of his standard lectures to high schools.

Dr. Hall also gives a lecture, entitled, "An Educational Problem," to parents and teachers, and it is possible he may give this lecture also in Calumet.

All of Dr. Hall's books on sexual hygiene are regarded as authoritative by the medical profession.

Dr. Hall's visit to Calumet next month is for the purpose of stirring up interest in the social purity movement. As a man of science and authority his visit will be anticipated with interest by many in this district.

CAROL SINGING ON STREETS.

One of the Christmas eve features on the streets of Red Jacket was the singing of Cornish Christmas carols by the choir organized under the leadership of C. C. Uren. The music was excellent to a degree, the singers' voices harmonizing and blending almost perfectly. This choir will be heard in some of the local M. E. churches during the next two weeks.

DISCREPANCY IN WAGES.

Pay of Engineers of Second Class May Possibly be Raised.

There is some talk among vessel owners of an increase in wages next season for chief engineers of the second class employed on the lakes. At present there is a difference of \$50 a month in the wages of chief engineers of the first and second classes, according to the schedules of the Lake Carriers' Association. Engineers of the first class, those who have charge of the machinery on the largest vessels, receive \$175 a month, while engineers in charge of boats of smaller capacity are paid \$125 a month. It frequently is the case that the smaller ships have fewer conveniences for the engineers, and not infrequently their duties are more exacting than those of the engineer on the vessels of the largest tonnage.

FINE CHRISTMAS GIFT.

The Carmel Lutheran church of Calumet, made a substantial Christmas presentation to its pastor, Rev. N. J. Forsberg and to the organist, Prof. F. J. Johnson, on Christmas eve. Both received purses filled with money. The purse presented to the pastor contained \$70.

CALUMET SALOON KEEPER FACES A SERIOUS CHARGE

A warrant was sworn out in Justice Fisher's court this morning charging Steve Kasun, a Seventh street saloon-keeper, with assault to do great bodily harm less than the crime of murder. Kasun was arrested late last evening by Marshal Trudell, and lodged in the village jail. He will be given an examination today.

It is alleged that Kasun and Jova Jovanich got into an altercation in Kasun's place of business on Seventh street, and it is said Kasun struck Jovanich over the head with a bottle. The man was taken to the Calumet public hospital. His condition was reported very critical last night and for a time his life was despaired of. Inquiries at the hospital today, however, are to the effect that he is much better, and hopes are now entertained for his ultimate recovery.

Attorney Anthony Lucas is looking after the interests of Kasun, while Prosecuting Attorney W. MacDonald will handle the case for the people.

MUCH TAX MONEY IN.

Total of \$28,000 so far Received By the Township Treasurer.

Township Treasurer William White reports a total tax collection to date of \$28,000 or about double the amount paid in at this time last year.

On and after January 9, the treasurer will charge an extra fee of 3 per cent, making the total fee on tax collections from that date, 4 per cent. As January 9 comes on a Sunday next year, those wishing to save the extra per cent will have to pay their taxes on or before Saturday, January 8. The total taxes this year, if collected, will amount to \$428,000, while last year the total tax roll was \$344,000. The increase is made up of extra state taxes and school taxes.

FEATURE AT BIJOU.

The feature attraction at the Bijou theater of Calumet this week is the picture films of the Jack Johnson-Stanley Ketchel fight. This is the first time this picture has been shown in Calumet and it is expected that it will create considerable interest among the fight followers of this city. It reproduces every detail of this very important ring contest, providing a wonderful opportunity to compare the size and ability of these masters of prize ring science.
